## REPORT OF ANNUAL SPORTS DAY

**17<sup>th</sup> March and 18<sup>th</sup> March 2017 (2016-2017)**

Sports are an essential part of our lives. For the all-round development of personality, everyone must take up a sport and follow it, without a break. To make students aware of the need to play various sports, schools and colleges have a compulsory subject on sports and physical education. To make our students more energetic and stronger our college has made arrangement for games and sports. On a daily basis our students play in the playground behind our college and also, we have indoor game facilities like Chess, Caroms, etc. To make the academic session interesting, annual sports celebrations are held.

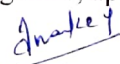

As a part of physical education activities, our colleges organize an annual sports day. Our college organized this year's sports day in the Second week of March 2017 i.e. 17<sup>th</sup> and 18<sup>th</sup> March. The responsibility of the sports day was taken by the sports teacher, and the student's organization. Although the sports day is celebrated for TWO days but actually the games start a month before. During this month various outdoor and indoor games selection rounds, semi-final rounds and final rounds are conducted. Students are selected Class wise by the team captains and Sports Faculty Co-ordinator.

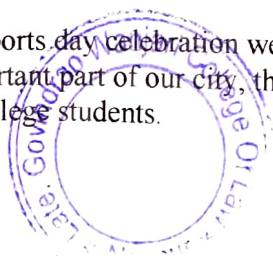

On the sports day, flags are pitched in the college campus. All the students will be participating in different activities and faculties will be guiding them in organising various events. All the parents are also invited for the function. The sports ground of the college was cleaned and decorated for the sports day. The former students of the college, who are very successful sportspersons now, were invited for the inauguration.

On 17<sup>th</sup> March 2017 the Sports Day was inaugurated at the Hands of Our Principal, Dr. Snehal Fadnavis in the morning at 9.15 am. Afterword's The Principal gave a speech about the importance of sports in our life and gave her best wishes to all the students who were either organizing or participating in the sports day.

The sports day celebration in our college included a number of sports – cricket, Badminton, Kho-Kho,, racing events and several indoor games like chess, carrom, etc. The sports day celebration went on for two days, and on the evening of the second day, a prize distribution ceremony was organized.

Both the days from the sports day celebration were very exciting and memorable. As our college ground lies in an important part of our city, there were many spectators to enjoy the games, apart from our own college students.
