POLICY DOCUMENT ON THE GREEN CAMPUS

Late Govindrao Wanjari College OF LAW is a quality conscious college. It protects its own environment with its green campus initiative and keeps pollution free campus. Environment development is its basic work with the educational policies implemented on the campus. The green atmosphere of the college is largely due to tree plantation. There are different types of trees and plants in the campus. Trees have nearly covered the fencing area. They help to maintain the ecosystem. Planting of saplings by the Management, Principal, Teachers, Students and Staff at various functions inbuilt an eco-consciousness in the college practices. Planting a large number of trees in the villages is one of the regular features of the NSS Camps. The trees are planted in the villages by the NSS volunteers and also at the places from where the fetches the admission is a remarkable to the college.

Our environmental policy:

- To create awareness regarding environmental policy amongst the students, management and nearby villagers.
- As per the govt. rules and regulations regarding the instructions of tobacco free campus signboards are displayed at various places on the campus. Pollution free campus is maintained by avoiding tobacco, pan-masala, chewing on the campus.
- To sensitize the students and staff regarding the use of drinking water properly for which, we have provided purified (RO aqua-guard) drinking water facilities on the campus.
- To bring in use the 'Rain Water Harvesting' on the campus. We have collected the rain water from the college roof and it is percolated in the land through bore well.
- Circular by Principal every year regarding use of public transport or carpooling or use of bicycle. It helps to save the fuel, avoids the environmental pollution.
- To maximize the use of ICT and minimize the use of paper. It will help to go towards 'Paperless Office'.
- To use the solid waste through vermin-compost on the campus and use it as a fertilizer.
- To reduce the 'sound pollution in the campus, we have built the seating arrangements in the shade of trees in our campus.
- To use 'Use me' Dry and Wet dust bins in the college campus so as to keep college campus clean.
